

Volunteer Role Title: Community Cultural Educator - Adults
Program Area: Public Awareness program

We are seeking volunteer Community Cultural Educators from different countries to volunteer with the Public Awareness Program at C.A.R.E. The program promotes welcoming and inclusive communities.

As a Community Cultural Educator, you will share stories about your culture and country of origin, and take part in small group discussions with the purpose of educating the participants about intercultural awareness, intercultural communication, immigration, refugee stories, and diverse cultures.

You and the Program Coordinator will work together and visit colleges, workplaces, agencies and organizations in Red Deer & Central Alberta. The Program coordinator provides training; support with preparation, presentations, activities and research, as well as transportation (if needed).

Time Commitment: Flexible hours – during daytime, evenings and occasional weekends as often as your schedule allows.

Duties / Responsibilities:

- Help prepare the presentation with research, pictures etc.
- Enjoy sharing cultural activities with the public
- A desire to share your country, culture and perspective with others
- Knowledge about your country, or certain aspects of it that interest you
- An interest in meeting people of other countries, faiths, languages

This is a great opportunity to meet new people & make new friends, give back to the community, build networks and gain experience for your resume! Reference letters provided after 20 hours of volunteering.
