

**Volunteer Role Title: Community Cultural Educator**  
**Program Area: Public Awareness program**

Public Awareness Program is seeking volunteer Community Cultural Educators from **India, Tunisia, Ukraine, and/or Peru** for school and public presentations.

The program promotes welcoming and inclusive communities. As a Community Cultural Educator, you and the Program Coordinator will work together and go into schools and organizations in Red Deer & Central Alberta. You will share stories about your culture and country of origin, with the purpose of educating the students and the community members about immigration, refugee stories, and diverse cultures.

The Program coordinator provides training, support with preparation, presentations, activities and research, as well as transportation to the schools (if needed).

Time Commitment: Flexible hours – during daytime (8:30 am to 3:30 pm), and as often as your schedule allows

**Duties / Responsibilities:**

- Help prepare the presentation with research, pictures etc.
- Enjoy sharing cultural activities with the public
- Have a desire to share/present about your country, culture, and perspective with others in a respectful way

**Skills Required:**

- Minimum English - level 4
- An interest in meeting people of other countries, faiths, languages
- Knowledge about your country, or certain aspects of it that interest you

This is a great opportunity to meet new people & make new friends, give back to the community, build networks, gain experience in public speaking skills and communication skills which is great for your resume! Reference letters provided after 20 hours of volunteer service.
